REQUIRED COMMUNICATION OF INTERNAL CONTROL RELATED MATTERS IDENTIFIED IN THE AUDIT TO THOSE CHARGED WITH GOVERNANCE
To the Chair and Members of the
Board of Lake County
Waukegan, Illinois

In planning and performing our audit of the financial statements of Lake County, Illinois as of and for the year ended November 30, 2016 in accordance with auditing standards generally accepted in the United States of America, we considered its internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of its internal control. Accordingly, we do not express an opinion on the effectiveness of its internal control.

A separate Communication to Those Charged with Governance and Management was issued to the Lake County Department of Public Works. The information contained in that report is not included with this letter.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

This communication is intended solely for the information and use of management, the County board, and others within the organization and is not intended to be, and should not be, used by anyone other than these specified parties.

COMMUNICATION OF OTHER CONTROL DEFICIENCIES, RECOMMENDATIONS AND INFORMATIONAL POINTS TO MANAGEMENT THAT ARE NOT MATERIAL WEAKNESSES OR SIGNIFICANT DEFICIENCIES
CAPITAL ASSET REPORTING

Reported as of 11/30/2014

The County’s year-end financial statements include capital assets owned by the County. These assets comprise some of the largest line items on the County's statement of net position. They represent an accumulation of historical purchases, construction, and improvements of County property. Due to the cumulative nature of this account balance, accurate and reliable record keeping is imperative to substantiating the capital asset amounts in the County’s financial statements.

In previous years, we had recommended the County consider usage of a capital asset software system. In 2014, the County converted its capital asset records from spreadsheets to a capital asset reporting system. During the conversion process, a number of errors were identified and corrected; however, they were not material to the financial statements. It is expected that the new reporting system will help eliminate these types of errors going forward.

With the conversion to the software system completed, we further recommend that the County begin to assess the existence of the assets currently reported in the system to ensure that disposals and useful lives are properly considered. It may be beneficial to obtain assistance from the County departments to help with this process.

Status as of 11/30/2016

This point has been resolved.

INFORMATIONAL POINTS

Decentralized Department Controls

As part of our annual audit process, we focus our efforts on the primary accounting systems, internal controls, and procedures used by the County. This is in keeping with our responsibility to provide an audit opinion which states that the financial statements of the County are correct in all material respects.

In some cases, the primary system of accounting procedures and controls of the County are supported by smaller systems which are decentralized, and reside within a department or location other than the finance or treasurer departments. In many cases, those systems are as simple as handling cash collections and remitting those collections to the County treasurer. In other cases, the department may have its own bank accounts and is responsible for collecting payments, making deposits and disbursements, and reconciling those bank accounts.

Generally, the more centralized a function is, the easier it is to design and implement accounting controls that provide some level of checks and balances since the County is able to divide certain tasks over the people available to achieve some segregation of duties. For those tasks that are decentralized, it is often difficult to provide for proper segregation of duties. Therefore, with one person being involved in most or all aspects of a transaction, you lose the ability to rely on the controls to achieve the safeguarding of assets and reliability of financial records.

Because management is responsible for designing and implementing controls and procedures to detect and prevent fraud, we believe it is important for us to communicate this information to you. We have no knowledge of any fraud that has occurred or is suspected to have occurred within any decentralized locations. However, your role as the governing body is to assess your risk areas and determine that the appropriate level of controls and procedures are in place.
INFORMATIONAL POINTS (cont.)

**OTHER POST EMPLOYMENT BENEFIT (OPEB) REPORTING CHANGES ON THE HORIZON**

GASB Statement No. 74, *Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans*, addresses reporting by OPEB plans that administer benefits on behalf of governments. GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*, addresses reporting by governments that provide OPEB to their employees and for governments that finance OPEB for employees of other governments. The new OPEB standards parallel the pension standards GASB Nos. 67 and 68. Together, the pension and OPEB standards provide consistent and comprehensive guidance for all postemployment benefits.

OPEB plans will implement the new standards beginning with years ending June 30, 2017. The county will need to implement these standards beginning with the county’s year ending November 30, 2018.

This standard has similarities to the previous OPEB standards, most notably the definition of an OPEB and the option of the alternative measurement method for small governments. However, the calculation and reporting of the OPEB liability and various required disclosures will change under the new standards, becoming similar to the pension standards.

To implement this standard, your government will need to plan ahead for obtaining a new actuarial study. The selection of a measurement date and timing for the study will be important to consider well in advance of implementation. We are available to further discuss this standard, the timing, and impact on your government.
REQUIRED COMMUNICATIONS BY THE AUDITOR TO THOSE CHARGED WITH GOVERNANCE
To the Chair and Members of the  
Board of Lake County  
Waukegan, Illinois

Thank you for using Baker Tilly Virchow Krause, LLP as your auditor.

We have completed our audit of the financial statements of Lake County, Illinois for the year ended November 30, 2016 and have issued our report thereon dated May 19, 2017. This letter presents communications required by our professional standards.

**OUR RESPONSIBILITY UNDER AUDITING STANDARDS GENERALLY ACCEPTED IN THE UNITED STATES OF AMERICA, GOVERNMENT AUDITING STANDARDS, AND THE UNIFORM GUIDANCE**

The objective of a financial statement audit is the expression of an opinion on the financial statements. We conducted the audit in accordance with auditing standards generally accepted in the United States of America, Government Auditing Standards and OMB’s Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). These standards require that we plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements prepared by management with your oversight are free of material misstatement, whether caused by error or fraud. Our audit included examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. Our audit does not relieve management or the Lake County Board of their responsibilities.

We considered the County’s internal control over financial reporting in order to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County’s internal control over financial reporting. We also considered internal control over compliance with types of requirements that could have a direct and material effect on a major federal program to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for a major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance.

As part of obtaining reasonable assurance about whether the Lake County’s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit. Also, in accordance with the Uniform Guidance, we will examine, on a test basis, evidence about the Lake County’s compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of its major federal programs for the purpose of expressing an opinion on the Lake County’s compliance with those requirements. While our audit provides a reasonable basis for our opinion on compliance, it does not provide a legal determination on the Lake County’s compliance with those requirements.
To the Chair and Members of the 
Board of Lake County 
Waukegan, Illinois

We will issue a separate document which contains the results of our audit procedures to comply with the Uniform Guidance.

**OTHER INFORMATION IN DOCUMENTS CONTAINING AUDITED FINANCIAL STATEMENTS**

Our responsibility does not extend beyond the audited financial statements identified in this report. We do not have any obligation to and have not performed any procedures to corroborate other information contained in client prepared documents, such as official statements related to debt issues.

**PLANNED SCOPE AND TIMING OF THE AUDIT**

We performed the audit according to the planned scope and timing previously communicated to the Financial and Administrative Committee in our letter about planning matters dated December 8, 2016.

**QUALITATIVE ASPECTS OF THE ENTITY’S SIGNIFICANT ACCOUNTING PRACTICES**

**Accounting Policies**

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by Lake County, Illinois are described in Note I to the financial statements.

As described in Note I to the financial statements, the County changed accounting policies related to financial reporting for pensions by adopting Statement of Governmental Accounting Standards (GASB) Statement No. 72, *Fair Value Measurement and Application*.

We noted no transactions entered into by Lake County during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you of transactions for which there is a lack of authoritative guidance or consensus.

**Accounting Estimates**

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most significant estimates included in the financial statements are management’s estimates for:

- The allowance for uncollectible accounts receivable, which are evaluated in relation to actual collections in the subsequent year and collections made on a historical basis.
- The insurance claims that have been incurred but not reported, which are supported by actuarial studies using historical trend data and recent claims experience.
- The other postemployment benefits obligation, which is supported by an actuarial study using employment data of the County and expected participation in benefit programs.
- The net pension liability and related deferred inflows/outflows of resources reported in relation to IMRF, which is supported by actuarial studies using census data of the County’s plan participants.

**Financial Statement Disclosures**

The disclosures in the notes to the financial statements are neutral, consistent, and clear.
To the Chair and Members of the Board of Lake County
Waukegan, Illinois

DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT

We encountered no significant difficulties in dealing with management in performing our audit.

CORRECTED AND UNCORRECTED MISSTATEMENTS

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

A summary of uncorrected financial statement misstatements follows this required communication. Management has determined that their effects are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

DISAGREEMENTS WITH MANAGEMENT

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditors’ report. We are pleased to report that no such disagreements arose during the course of our audit.

CONSULTATIONS WITH OTHER INDEPENDENT ACCOUNTANTS

In some cases, management may decide to consult with other accountants about auditing and accounting matters. If a consultation involves application of an accounting principle to the governmental unit’s financial statements or a determination of the type of auditors’ opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

MANAGEMENT REPRESENTATIONS

We have requested certain representations from management that are included in the management representation letter. This letter follows this required communication.

INDEPENDENCE

We are not aware of any relationships between Baker Tilly Virchow Krause, LLP and Lake County that, in our professional judgment, may reasonably be thought to bear on our independence.

Relating to our audit of the financial statements of Lake County for the year ended November 30, 2016, Baker Tilly Virchow Krause, LLP hereby confirms that we are, in our professional judgment, independent with respect to Lake County in accordance with the Code of Professional Conduct issued by the American Institute of Certified Public Accountants. We provided no services to Lake County other than audit services provided in connection with the audit of the current year’s financial statements and the following nonaudit services which, in our judgment, do not impair our independence: CAFR preparation assistance, adjusting journal entries, year end accounting assistance, and ETSB consolidation study.

None of these nonaudit services that constitute an audit under generally accepted auditing standards, including Government Auditing Standards.
To the Chair and Members of the
Board of Lake County
Waukegan, Illinois

OTHER AUDIT FINDINGS OR ISSUES

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as Lake County’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

OTHER MATTERS

We applied certain limited procedures to the required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on the supplementary information which accompanies the financial statements but is not RSI. With respect to the supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

We were not engaged to report on the other information, which accompanies the financial statements but is not RSI. We did not audit or perform other procedures on this other information and we do not express an opinion or provide any assurance on it.

RESTRICTION ON USE

This information is intended solely for the use of the County Board and management and is not intended to be, and should not be, used by anyone other than these specified parties.

We welcome the opportunity to discuss the information included in this letter and any other matters. Thank you for allowing us to serve you.

Dear Baker Tilly Virchow Krause, LLP:

We are providing this letter in connection with your audit of the financial statements of Lake County as of November 30, 2016 and for the year then ended for the purpose of expressing opinions as to whether the financial statements present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of Lake County and the respective changes in financial position and cash flows, where applicable, in conformity with accounting principles generally accepted in the United States of America. We confirm that we are responsible for the fair presentation of the previously mentioned financial statements in conformity with accounting principles generally accepted in the United States of America. We are also responsible for adopting sound accounting policies, establishing and maintaining internal control over financial reporting, and preventing and detecting fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, the following representations made to you during your audit.

7. All material transactions have been recorded in the accounting records and are reflected in the financial statements and the schedule of expenditures of federal and state awards.

8. We believe the effects of the uncorrected financial statement misstatements summarized in the attached schedule are immaterial, both individually and in the aggregate, to the basic financial statements as a whole.
